Sir:

Upon filing a response via EFS in the above matter on July 18, 2007, it was noted that the following fees were erroneously paid at the large entity rate through RAM (Confirmation No. 1662). The Petition for Extension of Time and the Request for Continued Examination were submitted with the incorrect fee. The total overpayment is \$905.00. The applicant's small entity status was established with the U.S. Patent and Trademark Office on March 29, 2002, the filing date of the application, is still in effect.
